Or use the microphone sets at hand.

Doubling up on the guitar amp is optional too. Just sounds wicked. Back mic out of phase please.

Less gates are better.

On Davids vocals, a nice slap back and some reverb please.

On channel 13, Thomas will use a Boss Vocal Performer FX box. No split, no added FX on FOH.

Mantra Maze will adapt to any stage situation and is happy to perform on provided backlines.

Looking forward to working with you :)
